WHO TO CALL OR WHERE TO GO

- **Arriving Late or Absent:** Call your Camp Director. Please note if you call during rally, the call may go to voicemail. If it does, leave a message and let us know if you need a call back.
- **Lost & Found:** Any items we find will be kept in a “Lost & Found Bin” until the last day of camp at your location.

KEEPING CAMPERS HEALTHY & SAFE

- **No Nuts Policy:** PLEASE DO NOT BRING ANY NUT PRODUCTS (trail mix, peanut butter, granola bars, etc.). We apologize for any inconvenience, but our policy ensures the safety of all our campers with life-threatening allergies. If your child brings nuts in their own lunch or snacks, we will need to take it and call you to bring your child new ones.
- **Tips About Your Child:** If there is something you’d like our staff to know, we suggest calling or emailing your Camp Director directly.
- **Allergies:** All allergies should be indicated on the Medical Information Form. Please also inform your Camp Director of the allergy so they can be instructed on how to deal with any allergic reactions. Please also provide us with a photo of the child attached to instructions, medical documentation and medication for managing a reaction as well. Campers must also be aware of their allergy and instructed not to trade food and to tell a counselor if a reaction does start.
- **Behavior Issues:** If consistent and documented behavioral issues arise that detract from the positive experience of, and/or cause physical harm to other campers and staff; we reserve the right to excuse the child from camp without refund.

Required Forms:

- **Health & Alternate Contact Information.** Log into your account via the Parents Portal to complete this information. You can find "Alternate Contacts" and "Pick Up Authorization" on your main account page. To fill out your child’s health history, click on any camper in your main account, and then click "My Forms" to fill out our “Medical Information” form.
- **Authorized Pick Up List.** Please either log into your account, let the staff member at check-in know or call your Camp Director to add names to your list. Your child will not be allowed to leave camp until we reach a parent or guardian for authorization, unless you indicated on your form that your child can sign themselves out.
- **FAAP (Medications Only).** If your child is bringing medication to camp, please download and print the FAAP form from the Parents Portal. You will also need to log into your account and put this in your online camper information as well. Completed forms must be brought to camp on the first day, along with the medication in the original bottle with your child’s name and the dosage clearly legible.
- **Camp Aid.** If your child has special needs and requires an aid at school, we will do our utmost to find a middle school or high school volunteer to help your child at camp. You are also welcome to provide your own. If we cannot find a volunteer by the start of camp, we will ask that you provide one and complete our special aide form online. Forms are available via the Parents Portal.

SUGGESTED ITEMS TO WEAR AND/OR BRING TO CAMP

- **Sunscreen, Hat and Eco-Friendly Water Bottle** with Drinking Water
- **Change of Clothes** (especially for younger ones – you know why)
- **Closed-Toed Shoes.** Children must wear tennis shoes or secure, closed-toed sandals to camp to reduce the risk of injury to toes. (Crocs or similarly styled shoes are okay as long as they are secure and easy to run in.)
- **Layers.** We strongly suggest dressing in layers. Morning can be cool and your child may be outdoors in the early part of the day.
